

**WARRIOR ELITE MIDDLE SCHOOL
TRAVEL TEAM**

Dear Supporter of Warren Wrestling Academy

The excitement builds as the “Warrior Nation” begins to develop Warren Township into a competitive, nationally recognized wrestling program on the East side of Indianapolis. Our “Same Chain New Link” motto was developed by upperclassman from the varsity 2015/2016 wrestling team. You can be part of this chain! We as a program are a family-a wrestling family. We all work together with gifts and talents investing in the future generation. In order to develop a program it is imperative to begin with a feeder system. The strong elementary program is underway and growing but the middle school level wrestlers are in need of great support. Here is where you come in... YES YOU CAN MAKE A DIFFERENCE in building a tradition of Gold! Every wrestler’s goal is to be state champ. To push our junior high level wrestlers to the next level of competition, instill the programs philosophies and expectations we must begin now. This is where the Warrior Elite aka “WE” program births!

This sponsorship program is for individuals, alumni, business owners, wrestling supporters ANYONE who wants to invest in a middle school wrestler who is specifically chosen to compete at a more competitive & prestigious level. WCWA is developing a middle school travel team that will compete in two team competitions and one out of state tournament. It's called Warrior Elite and we are looking for sponsors who want to be part of something very exciting. These wrestlers will be invited to the high school wrestling room to best prepare for expectations of our high school wrestling program. The \$200 sponsorship will offset the entry fee for the out of state tournament and the exclusive WE gear they will proudly wear.
