Dear Warren Central Wrestling Supporter:

Warren Central Wrestling takes great pride in our work ethic as well as our success on and off the mat. We are one big “wrestling family” which includes wrestlers, parents, wrestling fans, alumni and supportive local business owners. The financial support from our community is vital! We are reaching out to you hoping that you and/or your business will join our mission to grow and improve eastside wrestling by supporting our wrestlers who work very hard year-round. In 2016, Warren Central Wrestling brought home the IHSAA Team State wrestling title. This has not happened at Warren Central in wrestling in over 37 years....and we don't won't to wait another 37 years!

Warren Central Wrestling is building on our success and focusing on developing competitive student athletes. It is important that our wrestlers have opportunities to compete in advanced competitions in the off season so that they can continue to develop and reach their full potential. The Warren Central Wrestling coaching staff will be taking a team to Florida to compete in the AAU Scholastics Duals (Disney Duals) tournament this summer. This is a prestigious event attended by some of the best programs in the nation. Wrestlers will also have the opportunity to compete with Team Indiana on various national trips in association with the Indiana State Wrestling Association. We are asking you to invest in our wrestlers and team's success by sponsoring our team or a wrestler on our team.

Sponsors will be listed on our team shirts that are being created specifically for this event as well as listed on our website. We will also promote your business to our email list of over 300 eastside families and contacts. Additionally, our nonprofit is a Section 501(c)3 and your donation may qualify as a charitable deduction for tax purposes.
