Dear Warren Central Wrestling Supporter:

Warren Central Wrestling takes great pride in our work ethic as well as our success on and off the mat. We are one big “wrestling family” which includes wrestlers, parents, fans, alumni and supportive businesses. We continue to build on the tradition of excellence established by Warren Central’s 1980 and 2016 IHSAA State Championship teams. Last season alone, three Warriors place at IHSAA Individual State and the team earned the honor of IHSWCA Dual Team State Runner ups. We are very proud of our student-athletes and look forward to helping them continue to grow as citizens, students and athletes.

Off-season opportunities are an important part of helping our student-athletes develop. The Warren Central Wrestling coaching staff will be taking a team to Orlando, Florida to compete in the AAU Scholastic Disney Duals tournament. The tournament begins on June 24th and concludes on June 27th. This prestigious event is attended by some of the best programs in the nation. Our goal is to make this opportunity available to as many of our wrestlers as possible. We don’t want to let money stand in the way of an experience of a life time. The total trip cost for each wrestler is \$500. Our wrestlers have been working hard to earn money to help pay for their portion of the trip but your donation to a specific wrestler or the team would be greatly appreciated.

Sponsors will be listed on our team shirts that are being created specifically for this event as well as listed on our website. We will also promote your business to our email list of over 500 eastside families and express our appreciation on social media via Facebook, Twitter, Instagram using videos and posts.
