

WARREN WRESTLING

YOUTH WRESTLING LEAGUE

On Tuesday, November 1st, we will begin our youth wrestling league for our K-8th grade athletes. This is a continuation of the skills they learned at camp and is a great way for your child to learn more about the sport of wrestling. It is also a good opportunity for the experienced wrestler to get additional training and mat time. Practice will be on most Tuesdays and Thursdays through late January. Additional information is available at www.WarrenWrestlingAcademy.com.

COST: \$75 (includes T-shirt, USA Wrestling Card)

Days: Tuesday & Thursday beginning Nov 1st.

- **Headgear**—headgear is not required for practice, but if your child continues wrestling and wrestles at tournaments outside of our wrestling room, head gear will be necessary.
- **Mouth Piece**— similar to headgear, mouth pieces are not required for practice but will be required for tournaments outside the room.
